PROFESSIONAL SUMMARY

I am a final-year BCA student with strong communication skills and a solid foundation in programming. I have basic knowledge of Java, Python, and SQL, along with a keen interest in learning new technologies. I am motivated to apply my skills and grow as a software professional.

SKILLS

- Technical Skills – Frontend Development(basics), Python, Java, SQL [Entry _ level].
- Soft Skills – Communication, Adaptability, Time Management, Willingness to Learn.

INTERNSHIP

CRESCENT INFOTECH |SQL TRAINING | INTERSHIP|

May 2025 – June 2025

- I completed an internship at **Crescent Infotech, Erode**, where I gained foundational knowledge of **SQL**. I worked on writing basic SQL queries, including data retrieval and simple joins. Developed an understanding of database concepts and real-world data handling.

PROJECT

- In my 4th semester, I worked on online **shoes shopping-based** website creation for my mini-project and I learning lots of new ideas in that and after that focus on web development-based project and give involvement for my development
